

## ATMs

# Perativ™

## We are a leading provider of ATMs in North America

Ensure cash is accessible to your customers where and when they need it, helping to protect their right to choose how they want to pay.

**We offer a variety of programs tailored to your needs, whether you wish to own and manage your own ATM or have a full turnkey solution. Installation and training is available for all units**

### ATM PURCHASE

Buy your own ATM, load your own cash, without splitting any of the Interac surcharges.

### MERCHANT LOAD PLACEMENT

ATM is placed in your establishment at no cost. Load your own cash. We take care of all the maintenance. Interac fees are split on a tiered form.

### VAULT CASH PLACEMENT

ATM is placed in your establishment and loaded with cash. All maintenance is provided. Interac fees are split on a tiered form. (\* We may not be able to load very remote locations.)

## Your restaurant, bar or lounge thrives when your patrons are happy.

With a Cash-N-Go ATM, you can maintain a professional ATM program that will contribute to increased customer satisfaction. Satisfied customers spend more time and money in your business.

We will partner with you to create a customized solution - the right ATM, sales and service that's second to none, resources and support and more.

We know that having cash in your establishment is important. Whether it's a large group that wants to split a tab or patrons who prefer to tip in cash, your customers will appreciate an ATM onsite that will provide a reliable, private and secure method to access their funds.

We know that your business has peak times, and we work hard to ensure that your ATM will be ready to serve your customer whenever you need it.
